- Standardizer failed?
- Standardizer override
- State
- Update date
- Update port
- Flags
- Notes attached
- History
- Statistics
 - Number of bills
 - Number of Containers imported
 - Number of entries

The main content area displays three search criteria, each with a red "X" icon:

- Address - City (Entity Address Table):** A text input field contains "goodland". Below it, the text reads: "Standardized city for entity."
- and Address - State (Entity Address Table):** A text input field contains "ks". Below it, the text reads: "Two character state code for entity. May include province/etc for foreign addresses."
- and Developers Only - Importer type:** A dropdown menu is open, showing the following options: "Unknown (U)", "Government (G)", "Corporation (C)", "Partnership (P)", "Sole Proprietor (S)", and "Individual (I)". Below the dropdown, the text reads: "Importer type."

At the bottom of the search area, there are five buttons: "Save", "Delete", "Reset", "Go!", and "Preview", followed by a "Cancel" button.
